RE: Certification as a Small, Minority & Woman Business Enterprise Nashville Airport Authority

Dear Charles Carpenter,

The Metropolitan Nashville Airport Authority (MNA) is pleased to notify you that your firm meets the standards of the MNA policy 3-801 requirements for certification as a Minority Business Enterprise (MBE) under the Small, Minority, or Woman-Owned Business Enterprise (SMWBE). Your firm will be placed on the SMWBE database from which departments within MNA as well as other bidders and vendors may utilize in the procurement process. Your inclusion in the program does not guarantee that your firm will receive a contract.

You must report any changes in ownership, control, physical location of the business, or any other material changes in the firm to this office within thirty 30-days of said change. Failure to do so could result in removal of certification. Based on the information you provided, your firm will be listed in the program as being certified. Please see the 2nd page of this letter to view the list of commodity codes and specialty.

Should you have any questions regarding your certification with the Metropolitan Nashville Airport Authority, please contact the Office of Business Diversity Development at 615-275-1755.

Sincerely,
